Attached is the final CAB sub for tomorrow. We are printing copies / delivering now. Note that we had to remove the key messages slide as the content provided by MO requires some fact checking, etc. We'll build in key messages to next week's version.

Subject: Rate Mitigation

Hi Andrew,
Attached is the next iteration of the deck. Note that we have asked OPCD to populate some content on accounting to reflect the most recent information. There are two placeholder slides in the attached.
Let us know if you have any comments.
Thanks,
Keley
