Good Morning:

Are we still anticipating a "pens down" on that side tomorrow?
Can't keep MO in the dark on this if we are supposed to generate CAB approval on this as well.
Very worried.

SNAP met with OEB staff yesterday. Revised draft expected for noon. Dont' expect major changes given the regs will contain most of the details.

I'm really quite worried. The last (and so far only) version of the social side of the legislation that has ever been shared with the MO came on Tuesday 18th.

Has there been ANY action on that side since?

Subject: SNAP Legislation?

Good Morning:

Do we have a new turn of the "SNAP half" of the OFHP Legislation, please?

When are we scheduled to do the page-turn / like we are booked to do with GA / ESP part this morning?

It was helpful to get the turn yesterday afternoon for CoS "quiet time" read of the bill text.

Therefore, we must now look to Friday for this walk-through.

I'm free at 7am or 7pm. What is your preference?

Many thanks, in advance.
