Hi Andrew,

We will get these scheduled. Thinking that we would want to do the second briefing on Friday so that we have time to turn edits from the Wednesday PO briefing.

Thanks,
Martin

Hi.

Would like to add two briefings / meetings "DM/CoS" to Thursday / Friday of next week, please.

1. Rate Mitigation Implementation (our ENE only update on all things OFHP, etc.).
2. LTP / OFHP Update : price lines / demand scenarios etc. And it might be best to do this after our multicorner or into Friday afternoon.

CoS calendar has time on Thursday and Friday afternoon from 3-5pm both Thursday and Friday.

Many thanks, in advance.

Atel/
