Hi. I need a clear statement on the multi-unit complexes as described in our note -- are they entitled to received the 8% rebate or not.

On the renters, we need to be clear that the landlord would receive the 8 percent rebate.

Deputy, here's draft 5, hopefully capturing the intent of your last edits. Sub metering has been moved up and landlord language has been softened to say "have the ability to pass the rebate" indicating it's an option, not a requirement.

Thanks
