Later one. I don't want to forget.

Sent from my BlackBerry 10 smartphone on the Rogers network.

Subject: Re: Cost Shifting

For slide #4 - can we do an analysis of how much each line item (ICI / OCEB, etc.) would cost if it was fully funded through the fiscal plan?

IE. XX Billion in place of ICI would buy us a \$4.77 reduction of typical residential rate, etc.

Need before end of day today, pls.
