Good Afternoon:

Proposed edits - page 3 : "Ministry of Energy is reporting to MTCC in accordance with..."

Page 8 : "biomass" or "bio-mass"?

Page 9 : 2nd bullet. Remove parenthetical notation.

Page 10 : cut.

Page 12. Has an embedded comment "SMC1". Should be removed, in next turn / final.

Page 15 : minute should be numbered. (1, 2, 3).

Many thanks, in advance.

Subject: Microgrids Briefing Materials

Hi Andrew,

Attached is a deck staff have prepared on the forthcoming microgrids cabinet submission, focusing on the four not-economic to connect communities. CO has scheduled a multicorner on this next week on Tuesday, September 5th and is asking for us to track into MTCC on September 21st.

Let us know if you're comfortable sharing these materials with CO.

Thanks,
Martin
