Hi Deputy,

I've double checked with ESP and the plan is as follows:

A soon as we have the final approvals, then we would assemble the final copies with the signed front pages and circulate hard copies with Cab/TB and pdfs with everyone else.

Ok to share with MO?

Thanks,
Martin

Good Morning:

This appears fine to me. Wondering, what is our plan for all products, TB/MBC submission / Cabinet Submission and this, LRC document - when can we consider them final and affix the signed top-sheet and circulate completed versions, please?

Many thanks, in advance.

Andrew
