Hi Deputy,

Attached is the ministry deck for the Minister's OFHP Implementation briefing on Tuesday.

I am following up with OPG on the status of their deck.

OK to share with MO?

Thanks,
Martin

Subject: Rate Mitigation Implementation meeting on Monday

Hi Deputy,

For Monday's meeting with Andrew staff are proposing that we discuss the following items:

- TB / LRC submissions and the regulations (already shared).
- Our comments on the TB Report back chart (attached). We've added an additional column for ENERGY comments and reorganized the items, but the content in the attached is TBS.
- The Minister's briefing on Tuesday (materials still tracking)

Ok to share with the MO?

Thanks,
Martin
