Hi Kim,

It was a real pleasure working with you on the OPA/IESO merger as well as the FHP. I wish you all the best as you take on your next challenge. I would really appreciate getting together in the summer to catch up and talk about what's next.

Serge, as you know, I am leaving the IESO at the end of April. I want to thank you for all your support and leadership, especially during the fair hydro activities. We would never have accomplished what did without your encouragement. I believe we all operated as a collaborative team which is a testament to your leadership role. If you are comfortable, I would like to reach out to you late summer early fall for your thoughts on the next stage of my adventures. It is a small world and you never know when our paths may cross again.

I have copied my personal email as fyi.
