MEMORANDUM

March 27th, 2017

TO: Civil Law Division Management Team

FROM: Jane Mallen, Portfolio Director, Civil Law Division

RE: Staffing Announcement – Temporary Changes to Legal Director Assignments

The government recently announced the Fair Hydro Plan, which the Ministry of Energy is moving quickly to implement. This initiative will require significant legal resources over the next few months and, in order to be responsive to the Ministry's legal needs, Carolyn Calwell has agreed to provide dedicated Legal Director support to this important work.

I am pleased to announce that Cheryl Carson will assume the role of Acting Legal Director for a three-month period effective April 3rd, 2017, serving the Ministries of Infrastructure, Economic Development and Growth, and Research, Innovation and Science. Cheryl will also assume responsibility for the Small Business and Accessibility portfolios during this time. Cheryl is an experienced legal manager with significant legal expertise in these areas. She has been a Deputy Director since 2013 and acted as Legal Director in 2015.

Please join me in thanking both Carolyn and Cheryl for taking on these roles.
