Hi Deputy,

Attached are tracked edits to your comments earlier re: Turtle Island News. Please note that staff say Q3 is the only change they would make to focus these responses as Six Nation specific. The rest of the questions speak more broadly to the FNDC and we wouldn't want to misrepresent the scope of the program.

Also, please note that the final question has been separated, as that was requested by MO for their own use.

OK to share?

Denna
