### **4. The Regulation is amended by adding the following sections:**

### **Determination of monthly amounts payable re IESO security**

**10.3** (1) The IESO shall, in respect of each month, determine the amount allocated to each of its specified consumers that is a Class A market participant or a Class B market participant for the costs referred to in section 10.2 for the month by multiplying the rate calculated under section 10.2 for the month by the total net volume of electricity withdrawn during the month by the market participant.

(2) Each licensed distributor shall, in respect of each month, determine the amount allocated to each of its specified consumers that is a Class A consumer or a Class B consumer for the costs referred to in section 10.2 for the month by multiplying the rate calculated under section 10.2 for the month by the total volume of electricity distributed to the consumer during the month by a licensed distributor.

(4) The IESO shall separately track the amounts determined under subsection (1) from the amounts otherwise determined and remitted under this Regulation.

### **Variance accounts**

**10.4** (1) The amount of the global adjustment determined under section 10.3 that is allocated by the IESO to a specified consumer who is a Class A market participant or a Class B market participant is to be tracked in one or more variance accounts held by the IESO in respect of each of the market participants.

(2) The amount of the global adjustment determined under section 10.3 that is allocated by the licensed distributor to a specified consumer who is a Class A consumer or a Class B consumer is to be tracked in one or more variance accounts held by the distributor in respect of each of the consumers.

**10.5** (1) The IESO shall make adjustments to add the amount referred to in subsection 10.3 (1) to the amounts allocated by the IESO under section 11.

(2) Section 11 applies, with necessary modifications, to the adjustments made under subsection (1).

(3) For greater certainty, the IESO shall adjust the invoice that it issues to the market participant referred to in section 10.3 for the month by adding the amounts determined under subsection 10.3 (1) as an additional charge to the amount, if any, of the global adjustment allocated to the market participant under this Regulation.

#### **Adjustments by licensed distributor**

**10.6** (1) Each licensed distributor shall make adjustments to the accounts of a specified consumer that is a Class A consumer or a Class B consumer to add the amounts referred to in subsection 10.3 (2) to the accounts of those specified consumers referred to in sections 14 and 16.

(2) Sections 14 and 16 apply, with necessary modifications, to the adjustments made under subsection (1).

(3) For greater certainty, the licensed distributor shall adjust the invoice that it issues to the consumer for the month by adding the amount determined under subsections 10.3 (2) as additional charges to the amount, if any, of the global adjustment allocated to the consumer under this Regulation.
