Subject: FW: FAO Information Request

Good afternoon Helen/Jason/Mike,

Please find OTB's proposed response to the FAO's request for updated pension adjustment estimates over the budget outlook. The information is consistent with the published plan released in the Budget and thus non-contentious. We're required to provide this response within two days of the budget's release. Please let me know if you have any questions or concerns.

Regards,

Dane Nelson, Senior Policy Advisor
