Hi,

Here's the latest version of the deck. We tried to incorporate comments from MOF / TBS. This version is with my MO for review but it will likely be the version we will use at Major Projects tomorrow. Keley can share with your EAs.

Hi,

Attached is a draft of the rate mitigation deck. This is tracking to major projects on Thursday for a preliminary discussion. As you can see there are a number of initiatives that have fiscal implications so your input and comments would be appreciated. Keley can coordinate with your EAs. I understand that Andrew T. plans to share with PO/your MOs.
