Hi Alyssa,

Can you share a copy of your notes so that staff can have them printed and ready for the minster?
Thanks!

Hi guys,

I made my own notes for the TBS items on PRBs and Agency annual reports. She should use my version, which was sent home with her last night - not these.

Sent from my BlackBerry 10 smartphone on the Rogers network.

Hi Jason,

Please find the Chair's remarks attached for your review. Please let me know if there are any edits or concerns, otherwise OTB will print these for the minister.

Hi Dane –

Please see attached for updated opening remarks for the Chair (changes relative to previous versions are to reflect change in the agenda). Note that these include the ministry items she would lead off.

If no further comments – we'll print the attached for the meeting.
