Yes - we do - we have meeting times on the calendar the week before that. Can you suggest that he be in touch with us re: what is needed in terms of timelines?

Hi.

Looking at calendar – do we have a window / TB meeting to shoot for prior to the 2nd March regular MBC meeting?

I should have an update before the weekend as to the status of our submission.

Andrew,

Had a chance to connect with Jancik on this yesterday. His recommendation was for Energy to prepare a TB sub as soon as possible to get board approval before the end of Feb in order to make this work for this fiscal. I would also recommend connecting with Finance directly about how much room we actually have in 16/17 to accommodate the anticipated investment.

Let me if there's anything I can help with.
