RADIO SOUTH ASIAN PULSE: ONLY NDP HAS A PLAN TO SAVE \$7 BILLION ON HYDRO BILLS: SAYS HORWATH - PUNJABI (2017.03.09)

Description: Yudhvir Jaiswal - During an interview, NDP leader Andrea Horwath blamed the Liberals for a bad hydro plan at the federal level. She alleged the hydro rates were constantly going up, and due to that people in the province were facing problems. On the hydro bills being slashed by 25%, Horwath commented that it is of no use because if the car loan is spread out on seven years instead of five years, the car does not belong to you. It will still remain on lease. About PC leader Patrick Brown, she said he is new in provincial politics and the PC party has no plan to tackle the issue of hydro bills. She said only the NDP has a plan to save \$7 billion on hydro bills.
