Hello,

Okay, I will try for end of day. Should I include messaging that originated from your office on the list?

Hi Jordan,

I have a few questions to clarify. For this session, you mean the one that began on September 12? Would you like just a list of the messaging or a copy of the actual messaging as well?

Finally, is there a timeline you require this information by?

Thank you,

Caroline

Hey Caroline,

I hope all is well. I was wondering if you could compile a list of all the messaging that was sent to MPP's on the below subjects this session.

Let me know if you have any questions or if there is a more appropriate person for me to ask.

Thanks,

**Jordan Lazarus**
