Subject: Issues

Just getting on the subway at Dundas, may have more issues to share once i'm in.

Labour - there's coverage today of the NDP's amendments to Bill 148

Labour / MNRF - conservation area park fees near Hamilton are going up because of the minimum wage hike

MOECC / CSCS - could you give us an update on the Nova chemical leak in Sarnia?

MNDM - there's ongoing coverage of demands by both opposition parties to fund the Huron Central Railway

MAESD - any update to the college strike?

Energy - the Consumer Policy Institute claims measures in the Fair Hydro Plan allow the minister to set energy prices

Energy - the OEB's transportation fuels report is out today
