Hi.

Here is content from policy / fact check.

Needs to have tone sharpened and elbows up / get into the corners a bit more; but the substance is there - just needs the sizzle.

Wondering if folks on this chain could take a run at jazzing this up (Bill / Andrew want to take first crack; or should we?) then can I give it another once-over before we send to Minister, please?

That is, unless you want it to be "from Premier"?

Many thanks, in advance.
