Labour – could you give us a round-up of coverage of the Changing Workplaces Review so far?

Labour – a new report suggests the WSIB is saving money by limiting health care treatment time

Housing – Mayor Tory is claiming (again) that the province isn't investing enough in social housing

Housing – Parkdale residents on rent strike have received eviction notices

Energy – the FAO is tabling a report on the Fair Hydro Plan today

MOECC – the latest Quebec/California cap and trade auction results are out today
