Q

I'm proud of this plan
25 percent
Great news For everyone
We have to be happy

Q

We have made big investissements since 12 years
Long term is important
We bring some fairness
Youth will benefit from it also
We have a great system because of the investment
Proud our government is doing it for the population

Q

A lot of initiatives before 2017 on hydro
Samsung
Quebec
Need to listen the population before taking decision
Impact of their bills

Q

Our investment was there
Needed to be fair
Concrete actions
Will help businesses but also the more vulnerable
We need to be proud of it
Audace of the p

Q

Not at all

Our economic performance is good

We create business

Great health system

Good education

Healthy investment

This one is fair

Q

Underinvestment

No coal anymore

Energy minister has been clear

This is a big step
