Hey there - Gallery has indicated they would like to scrum the following Ministers. If I hear of others I will add to the list. I've given their staff a heads-up as well.

Thibeault (for energy year-enders, what other measuring we are looking at to reduce rates, global adjustment on energy bills - probably other things as well)

Naqvi (Most likely pot, but may be looking to speak to him about legislation that has passed as well for year-enders)

Del Duca (Tolls)

Hoskins (pot)

Potentially Matthews (so-cons)

I will be outside the cabinet room as of 1130 and will help coordinate with gallery.

Thanks,
Jenn
