Thamilar Senthamarai: Hydro ads put Liberals in contempt of legislature (2017.03.21)

Description: A new ad campaign touting a plan to slash hydro rates puts the Liberal government in contempt of the legislature, Ontario's Progressive Conservatives allege. The opposition parties have called upon the Speaker to find if the government is in contempt because the ads set out

both a timeline for action and assume a decision even before the legislation to cut hydro rates has been introduced.
