Hi all,

We had one media request today – a response has not been sent.

Details below.

Have a good night

**Globe and Mail – Matthew McClearn**

## **Request:**

I'll be publishing a story about the financial and accounting structure of the Fair Hydro Plan in the near future, and I wanted to request an interview with Cindy Veinot this week, if she's available. My own schedule is quite flexible. Please let me know when you have a moment.

*Note: The request was redirected to TBS officials who will be the contact moving forward for the reporter. I will keep your office in the loop on the response. From my understanding the Office of the Provincial Controller is declining the interview request.*
