Subject: Draft deck for Colleges Ontario Presidents' Retreat

Hi Boafoa,

Here's our draft deck for the Colleges Ontario Presidents' Retreat. It draws heavily from the Rotman presentation, with a few more slides on AI/automation, postsecondary education/students, and PSR. We'll also be updating the OSAP slide once we have the latest stats.

We're still waiting on the Public Accounts briefing deck and the Q&As, so we'll pass those along once we receive them.

Looking forward to the Secretary's feedback.

Thanks,
Joanna
