Hi.

Didn't want the week to end without thanking you two for doing such a tremendous job leading the Mandate Letters project. I was always impressed (and frequently amazed) at how you were able to keep all the many moving pieces sorted and on track. I'm not aware of a single ministry that was caught unaware or surprised by anything in their letter, the coordination with Premier's Office and between CO Policy and Communications looked seamless and smooth, and as far as I'm aware the letters rolled out without a single version control issue. And all this delivered amidst frequent changing timelines and direction, and on top of everything else you both were doing.

So thanks for doing a tremendous job. Have a great weekend. Steven.
