Subject: The Fair Hydro Plan

The Secretary would like to know if TBS has a view on this?

Minister Thibeault Asked About Audit Firms' Opinions Of The Accounting Of The Fair Hydro Plan – (TBS/ENERGY) Today in the House and in a release, the PCs accused Minister Thibeault of lying to the House about audit firms' opinions of the accounting of the Fair Hydro Plan, citing a letter from the Auditor General. In the letter, the AG notes that "Deloitte LLP and Ernst & Young LLP have confirmed to us that they provided no formal opinions approving the accounting for the Fair Hydro Plan that the government planned to use for its consolidated financial statements" and "KPMG told us that it has not provided an opinion on the accounting for the Fair Hydro Plan in the government's consolidated financial statements." The PCs highlighted those statements in their release. In pages 2-3 of the letter, the AG says the sum of the work she highlights that the firms did "does not equate to approval of the accounting in the consolidated financial statements of the Province of Ontario." Media coverage: None so far.
