

Government Announcement

Recently, the government announced they will be reducing the cost of hydro by 25%. They have also announced that hydro rates will not increase more than the rate of the inflation for the next four years.

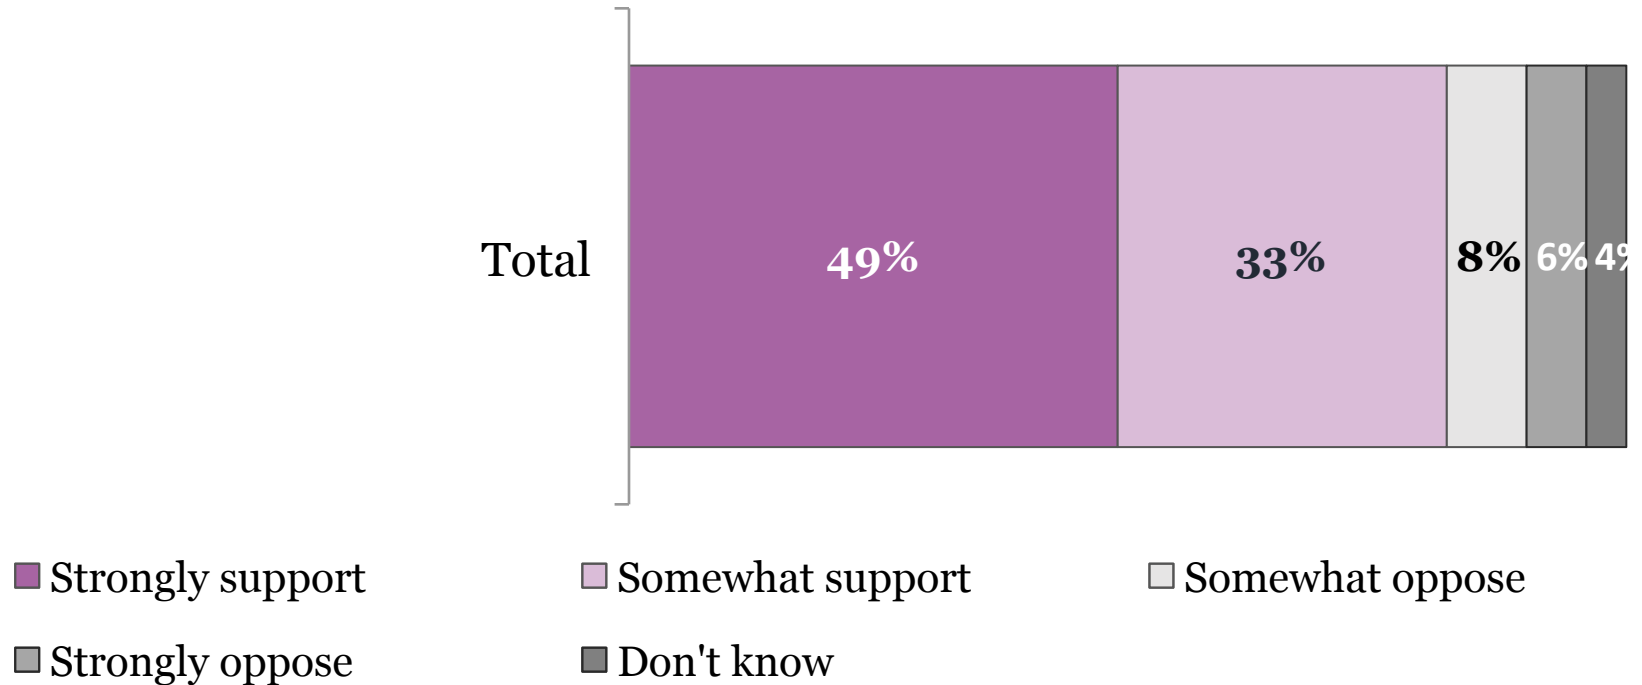

■ Heard a great deal about this

■ Heard something about this

■ Haven't heard anything about this

"Recently, the government announced they will be reducing the cost of hydro by 25%. They have also announced that hydro rates will not increase more than the rate of the inflation for the next four years. Prior to now, would you say that you have:"

Support is Widespread and Strong

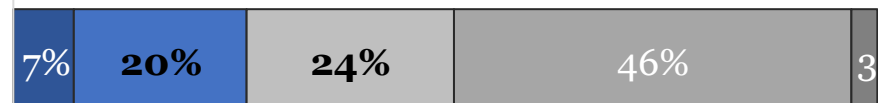

“And would you say that you strongly support, somewhat support, somewhat oppose or strongly oppose this reduction in the cost of hydro?”

The Policy Achieves its Aim

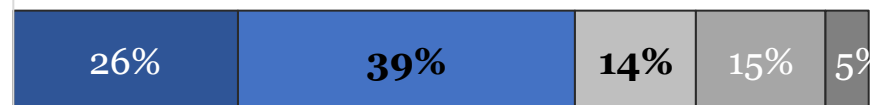

Reducing hydro bills by 25% will help my family.

Electricity in Ontario is affordable.

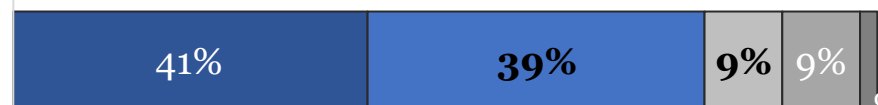

Once the 25% reduction in hydro bills comes into effect, my electricity will be affordable

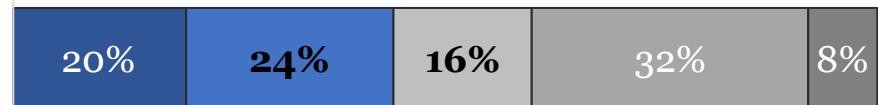

Once the 25% reduction in hydro bills comes into effect, the cost of electricity will be fair

The Government's change to the cost of electricity will be good for citizens

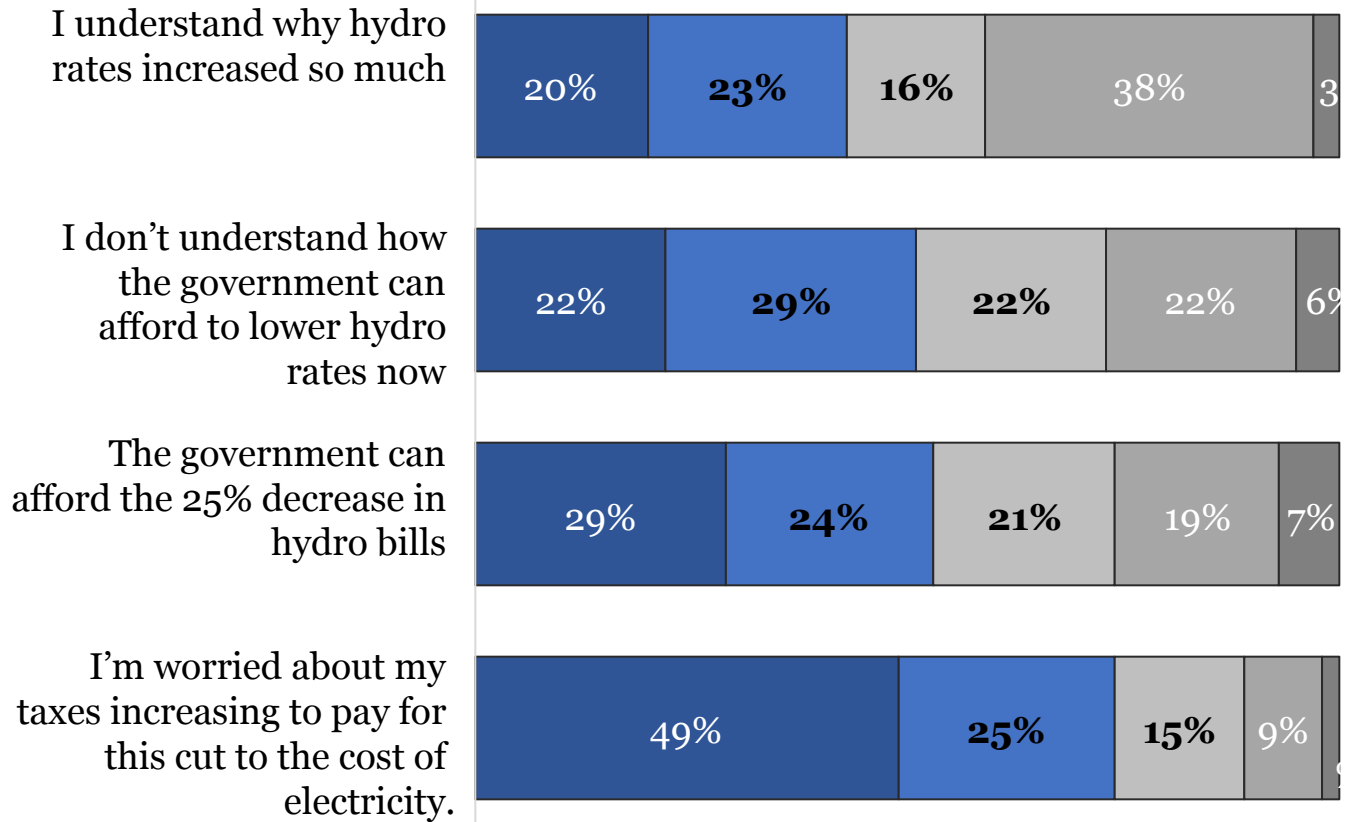

The Government's change to the cost of electricity will be good for the next generation
