Subject: 8.45 AM | ENE Materials for Fiscal Prep Committee (Rate Relief for Ontarians)

Good Evening:

Please find enclosed the updated draft Cabinet Submission as well as a separate word document with the current CO/ENE /MOF/TBS minute. Still some brokerage politics ongoing between Ministries, but would be helpful if folks could turn attention to the minute as well as the deck.

Also coming in a moment will be an OPG deck that speaks to some of the "sensitivity analysis" that was requested coming out of FPC last Thursday (recall the dialogue regarding interest rate risks).

Many thanks, in advance.
