Deck for tomorrow. I've asked for the latest info from the omni around awareness of the changes and the drop off in people who name electricity prices as their #1 concern to be added.

Sent from my BlackBerry 10 smartphone on the Rogers network.

Hi Rebecca, Ann,

Just received the attached deck for Cabinet tomorrow. John @ CO asking if we are comfortable with it.

I've got one flag on messaging

- We don't say '25% reduction for average households', we say 'average 25% reduction for all households'

Otherwise no concerns.

Let me know if you have any additional feedback.

Bryan

Good morning Bryan. We just received a copy of a deck for Cabinet tomorrow, where we're told they will be playing the TV and radio spots.

Can you please confirm that PO is comfortable with copies of this deck going into the green folders?

Thanks
