Hey – both the MPP template NR and media outreach plan are attached here. Basically plan is to hit regional media (interviews and press conferences) every stop along the way.

Not a problem.

We've actually been working with MOL on an MPP template the members will use for the hearings.

Attached that here and we can easily repurpose to a provincewide NR.

Adding Blane re: media outreach.

Hi, I spoke to Bevan this am and he's requested a province wide NR for start of committee on Monday. Basically a rehash of why the legislation is so important, how it fits into our broader plan for fairness and how the committee is looking forward to hearing from people (plus logistical deets)

Can MOL get started on this?

Also, wondering if Flynn has a plan for media on Monday? Radio in different parts of the province?
