Sure. I'll make those changes and send back to you for another look. Looping in Jenn who says the Star can't take it Monday but we can submit for them to consider for Tuesday.

Hey. Looks good. 3 minor things.

I don't love the word "angry " in para too. Maybe "frustrated"?

the line about years of neglect and mistakes made by governments of all stripes should be in there

And I wonder given we're submitting to the star that the example of program expansion shld be OESP and not rural supports?

Hey Rebecca,

Attaching a longer op ed we've drafted to send to the Star. Jenn is going to reach out to Benzie today to see if they'd print it Monday (I was assuming it might be a good opportunity because they're generally a little more eager for content). I thought I'd share with you first but assume you'd want Bevan to have a look as well.

Let me know if that works...
