Yes we think it's a fair assessment. With fair hydro plan regs coming into effect the reduction is substantial. And the only fee increase is the commercial licenses from MTO.

Thanks.

And everyone is ok with the "making life more affordable" quote given the balance of fee increases as of July 1 with other reductions?

Hi Andrew,

We've updated the July 1 regs NR and BG to include burden reduction language.

Please see attached and let us know if these work.

Thanks,
Bryan
