Hi Andrew,

Attached is a deck that we've worked on with CO for presentation at PDG tomorrow. It provides a bit of a re-cap of last session and summary of big pieces moving forward.

They'll share it at the SoC meeting this morning, but given CO wants to finalize by noon wanted to get it to you sooner.

We have 90 min now for PDG, so this will be used to kick off a conversation about priorities including for FES.

Subject: DRAFT PD&G Deck

Hi Mike & Gillian,

Attached is the latest draft of the PD&G deck, as referenced at POCO this evening. We'll have a window to make final edits tomorrow morning, with the goal of finalizing the deck shortly after 12noon. We'll also collate the deck and the appendices into one file.

Happy to discuss.

Jay
