Hi Landon: A further request. Can you share the Caucus presentation with PO Policy as well once it has been delivered on Wednesday?

Attached is the list of S/H that have been invited. OCC is on there (Provincial Body). We plan on working with caucus to invite all local Chambers on top of this. This and other suggestions will be included in Wednesday presentation to caucus.

As for CME, no. We missed that one. Do you want to have a look over the list, and see if you can spot any others?

Hi Landon: Do you have plans to consult with OCC and CME directly for LTEP? If we work with them, we can have them engage their membership more actively by hosting events, organizing webinars, etc...let us know what your plans entail for these organizations.
