Hi ECs,

Worked to capture the changes from last week's leg planning in the attached summary and grid. Before noon tomorrow (Thursday), it would be helpful if you confirm that the movement/bundling outlined in the Spring list (particularly Spring Intro list) is accurate and make any further clarifications on timing in the detailed grid?

Also if you have any points of discussion, please feel let me know and I will add to that list (Karen I think you mentioned some other potential pieces of the Justice Bundle related to Safe Streets Act and repeal of Family Law Act)?

(note: I don't think Gillian is available on Friday; however, my intention is to still have a quick meeting to wrap up the Fall tracking and any other plans GHLO has for the Spring)
