Good afternoon/early evening ECs,

In preparation for this week's leg planning meeting, please find attached the latest document which should include the latest tracking/information on items. This draft will be shared with the DM and in SoC binders; however, if you have any edits please let me know by Wednesday early afternoon.

As Gillian mentioned last week, it is important for ministries to flag any legislation through CO so they can be raised at this table.

Please let me know if you have any questions in the meantime. Thanks!
