Hi Karen:

Attached is the draft electricity bills LRC note for your further review. I have addressed your comments and the note been fact checked.

As I will be away Monday, I have asked Sam to take it through the final paces and submission to ECO. Energy has not yet submitted final materials, as they do not have minister's signature yet (see attached), so there will be a need to still check the note against what is ultimately sent in. (Thanks Sam!)

Thanks,

Tim Hindmarch-Watson
