Hi Karen, I'm guessing genetic discrimination is yours, let me know if you disagree.

Subject: Confirming Changes/Descriptions - Leg Planning Tracker

Hi ECs,

With the cancellation of last week's meeting, I've kept highlights of changes from last week and made additional tweaks based on discussions at today's POCO. If you could please review and let me know if you have any additional changes by no later than noon Wednesday. Hopefully this is quick as I've tried to make all the relevant changes.

The updated version will be used in SoC binders on Wednesday and for Friday's leg planning meeting.

Specific input that would be welcome:

- David – tracking/description for 4 items: Grievance Settlement Board (14.11), Hotels (14.12), Buy America (18), and Annual Reports (19.2)
- Tamara – title/tracking/description for potential EDU item (14.13)
- Karen/Rob – assuming one of your ministries will lead, tracking/description for Genetic Discrimination (20)
- All – any discussion points in addition to the ones noted in the bottom right of the summary page

Please let me know if you have any questions. Thanks!
