Hi Mo:

Thanks again for taking a look at this one too. As discussed it is very straightforward so likely does not need too long of a note. There is a slight chance that this one will bump to the 11th as well, but I will keep you posted on that.

Cheers!

Subject: LTEP Frequency Regulation LRC Package

Hi Karen and Tim,

Attached is the LTEP Frequency Regulation LRC package to go to LRC on August 29th. The posting closes on the 21st, following which we will be able to share final versions.

Thanks,

Martin
