Hi Ewa – sorry this was not within the hour.

Please see attached – looks like just 1 comment.

Thanks,
Sabrina

Hi Sabrina: no substantive comments or concerns. I confirmed MIRR review within the attached document as well as a suggestion to include “Enhancing Voices” framework to the Linkages section. -- Lars

Hi Lars - can you take a look at the attached and provide any comments by noon tomorrow?

Sorry just sending this now as I'm home sick and thought I should check my emails.

Thanks,
Sabrina

Hi Sabrina,
Please find attached the draft note for LTEP tracking to CAB next week. If you could please provide comments by tomorrow at noon. Apologies for the quick turnaround.
Many thanks,
Ewa
