Hi all,

Please find attached the (hopefully) final CBN for the LTEP item. Thank you again for your help in gathering feedback from ministries so quickly. This item will mail out to members on Monday but in the meantime the note may be shared with ministries as draft.

Thanks,

Hi all,

As promised, attached are the ministry materials for this item. Please share with partner ministries. I would flag that this contains the draft proposed minute, which is currently being refined so please share with that caveat.

If you hear of any outstanding concerns from your ministries please let me know as soon as possible.

Thanks,

Karen
