FYI re: the PD&G report.

Martha's comments on transit are below.

Will have more of her comments on Tuesday morning, in the meantime keep updating your respective files and we'll work to have her review the full deck Tuesday afternoon.

Thanks,

John Johnston

Sorry, forgot. It was on transit - in the upfront slide. That has the pipeline I think, talks about hot lanes leg I think? And then in transit specific slides there is something there about the RFQ for operator procurement I think that needs to be changed. There was also something on corrections or policing on the timeline slide I think that was off?

Can you remind me Tuesday as I made hard copy edits in that 2hrs as you said but they are on my table.

Thanks!

Okay I spoke with David and Ewa and they will have their team's update for Tuesday – David's recommendation was to send over your comments when you have them and they can incorporate.

I will leave you be for now unless you need me tonight. Otherwise, will have BlackBerry on me this weekend!

One thing we forgot today!

Should I have David and Karen take a look at this? I don't know if they have yet.

Importance: High

I have changes I noticed in last version that we now have time to change!!

I'll show you tomorrow.

Subject: PD&G Priorities Report - Tentative for Oct. 19th

Hi everyone,

Thank you all for the effort over the past few weeks to prepare the PD&G Priorities Report. Due to time constraints on the September 27th PDG agenda, this item was not discussed. We will seek to confirm whether the item will track to the October 19th PDG meeting at POCO on Wednesday morning.

If the item is confirmed for the October 19th meeting, we will be working under a condensed briefing schedule (SoC briefing: Thursday the 12th ; P briefing: Monday the 16th). Therefore we are proactively requesting another round of review and edits to the deck and appendix in preparation. In particular, please provide edits to milestones that may have been updated in September 2017 (e.g. GreenOn, Mental Health and Addictions, Achieving Excellence for the Whole Learner). Hopefully the number of required edits is minimal.

Please provide edits to Cecilia Omole and Anika Bhatti by Tuesday, October 10 at noon. Don't hesitate to reach out to Cecilia or Anika if you have any questions.

Thank you,
Jay
