Hi Devyn,

Attached is a draft CBN on ENERGY's Long-term Energy Plan item, which is tracking direct to Cabinet next week. Can you please share with folks for review and provide any comments back by noon tomorrow (Wednesday)? My apologies for the very quick turnaround for this request.

You will note that the draft proposed minute is not included in this document. We expect to be able to share the draft minute in the next day or so, as well as ministry materials.

Thanks,
Christine
