Karen:

Energy is requesting a TAED exemption for the social regs under OFHP. I was planning to forward to Phil for PO approval, but I wanted to check with you first if you had any concerns.

Thanks

Subject: TAED Exemption Request

Hi Tim,

As you know, we're proceeding to Cabinet on June 14th with a suite of reg. proposals including a new reg. under the "Social Programming" initiative of OFHP (proposed under the new section 79.3 of the OEBA, if the Fair Hydro Act, 2017 passes). We're seeking a TAED exemption for the new regulation in order to meet our July 1st timelines in order to allow the Ontario Energy Board sufficient time to implement the reg by July 1st.

Attached is the official request. Let me know if you have any further questions.

Thanks,
Martin
