Hi Martin,

Please find attached an initial draft LRC CBN on ENERGY's proposed OFHP implementation regulatory amendments bundle. The note includes a number of placeholders for additional details. Can ENERGY please provide feedback along with any draft materials if available by the end of the day today.

To clarify, ENERGY is not yet on the agenda for Cabinet on Oct 18. We have flagged it for folks here, including PO, and I would suggest your MO reach out as well.

Happy to discuss any questions and apologies for the tight turnaround.

Thank you,
Rebecca
