Hi Sam,

Now added to the package is the draft reg amendment itself. I've included the other documents again for convenience. The package now includes:

1. Draft Reg Amendment;
2. Assessment;
3. Approval; and
4. Twice-Annual Exemption.

Next step

As discussed, we will let you know when we have a sense of timing for sign-off.

Hi Eric!

Thanks for this. When you have a sense when the Minister will sign off on the package, can you let me know? The LRC binder is released on Tuesday (sometimes in the morning and if not, the afternoon).

Happy Friday,
Sam
