Hi ECs,

Coming out of POCO and reconciling with the planning calendar, I've made a few updates to the grid. I hope to distribute by noon tomorrow (Wednesday) for Friday's meeting.

Before sending to PO/GHLO/Leg Counsel, I need to fill in a few blanks (in red font in details document):

- All
 - o 11.9 – Should any of the other potential items be added? If so, need tracking and description
- David
 - o 11.2 - Intercommunity Bus; please provide a description
 - o 25 – Northern Ridings; please provide any target tracking and description
- Karen
 - o 11.3 – Forest Fire; please confirm as potential Burden Reduction item
 - o 11.7 – Chronic Stress; please provide any target tracking and description
 - o
- Rob
 - o 17.2 – Retirement Homes; please confirm ministry lead and description

Thanks in advance.

Subject: Leg Planning - Quick Chat after Agenda Review on Monday

Hi ECs,

In preparation for the regular cycle of leg planning meetings starting next week, I wanted to catch up and have a very quick chat with you on the status of items. To try to leverage your time, I was hoping we could stay behind for 5-10 minutes after Monday morning's agenda review to go over a couple of quick things.

Attached is an updated summary/grid which should be updated based on the two conversations in January. Please note that I've also had a quick discussion with MOF on doc bill items which is one of the things that I was hoping to update you on and get your feedback.

Let me know if this plan doesn't work for you. Thanks in advance.
