Hi folks,

Attached (and in MOSAIC) are the draft LRC-CBNs for the October 4th report-in. Given the DM briefing is on Tuesday, we will likely have to submit these without LRC notes to make publication.

The LRC team will send these along with the digital versions of the variance memos, compendia, and comms plans for the DM binder on Monday morning. A very important reminder that you should also ensure that your ministries have delivered 60 hard copies of these documents to ECO for Cabinet binder distribution.

After LRC, I would fill in the notes and work with you to finalize by Tuesday to give time for printing.

Thanks!
